

Pierre-Emmanuel Leclercq, appointed General Manager of ONF International

Pierre-Emmanuel Leclercq, advisor to ONF's Chief Executing Officer (CEO) Christian Dubreuil since February 2016, has been nominated General Manager of ONF International, effective November 1, 2018. He succeeds Charles Hullot.

Aged 58, Pierre-Emmanuel Leclercq is a graduate of the French National Administration School (ENA). He also pursued training in management at ESCP Business School.

He previously held the positions of director of human resources or director general in subsidiaries of public companies (SNCF, La Poste).

He has notably led numerous business acquisitions in France and Europe on behalf of La Poste's mail division.

At ONF, he has accompanied change management and the negotiation of a corporate collective agreement for employees.

ABOUT ONF INTERNATIONAL

ONF International is an environmental consultancy company specialized in the sustainable management of forests ecosystems and the fight against climate change. Created in 1997 as a continuation of the international department of the French Forest Office (ONF), ONFI aims to promote the ONF's know-how overseas. It offers public or private stakeholders integrated and pragmatic solutions to enhance the role of forests in the development of territories. It is a 100% owned branch of the ONF. ONFI has two subsidiaries : in Brasil, Gabon, and Colombia.
